2nd Quarter 2016 Vol. 1

Welcome to Sunny Queensland

It's been a month since our belongings were packed up in a container headed for sunny Queensland. We're happy to say that all of the boxes and barrels have been unpacked and put away in our new home in Mitchelton, a suburb north west of Brisbane.

Mark has also been able to set up his editing computer at the mission office in Woolloongabba. The office is in the shadow of the "Gabba," Brisbane's cricket grounds.

Mark has been assigned to the new Power to Change Video Production team based in Bris-

bane, QLD. There's a story the team is working on that starts in Brisbane and continues in China with two disciple-making chains. Melody is called "Great Grandma" due to the nine people that have become followers of Jesus because of her obedience to God. Stay tuned for the full story.
