National Mid-Year Conference

At the beginning of July, 330 University students from around Australia descended upon Mer-roo Christian Centre in Kurrajong, NSW. It was time for Power to Change's National Mid-Year Conference where students are trained to share their faith. Mary and I were part of 160 staff members who attended. Mary was on the child care team for toddlers, and I was on the video team. Praise God 3 students decided to follow Jesus during the course of the week. On outreach day, the students put into practice their training and went door knocking.

One gentleman trusted Jesus as his Savior on the spot and was put in contact with [Power to Change's Church Move-ments strategy](#) in the area. We were blessed to hear from [Dr. Darrell Bock](#) of Dallas Theological Seminary almost everyday. Also 33 students asked for more information regarding becoming missionaries with Power to Change.

Prayer Points

- Please pray as the 330 students go out in the power of the Holy Spirit using their newly acquired skills to share their faith with friends, and family.
- Pray for the 3 students and the one gentleman who just became Christians that they will continue to grow in their faith and become part of the local church.
- Ask that we may be filled with the knowledge of His will, so as to walk in a manner worthy of the Lord.

Where God Showed Up

During National Mid-Year Conference, the video team was able to interview 23 people. They shared their stories of where God showed up in their lives. Over the next few months as the footage gets edited, we'll be publishing these stories so you can be blessed by seeing what God is doing in the lives of University students from all over Australia.

One story I can share with you now is of Melody. Listen closely to follow the four generations of making disciples. It is great to see God at work. Go to <https://vimeo.com/170888499> or click on the image below.
