God's Results

The Social Media Summer Project grew out of a vision to use social media to help spread the Gospel, especially during O-week. Power to Change brought together students with skills in IT, communications, design, film, writing, and marketing.

By the end of their time together the team developed a number of strategies which will help our campus movement connect people to Jesus.

This includes:

1. A two and a half minute film clip promoting Power to Change as your family at University.
2. Development of new content for Facebook to foster better engagement online.
3. A modified google page form for use to follow up people in O-week.
4. Designs for tee-shirts which can be produced as needed.
5. Three training videos to help get the most out of this material.

The plan is to start with Victoria. We hope these tools grow and develop in the years ahead. However, prayer is needed. Please pray that God will use us to build His kingdom.

We asked for prayer as the Gospel went out during all of the summer projects around Australia. Here are some results from the **Gold Coast** Summer Project:

51 Students on Project

Gospel Conversations: 200

Decisions for Christ: 9

Social Media Summer Project Team Leaders:

**Brian Ko, Karl Udy, Amy Udy, Amanda Cole,
Mark Swinerton**

God's Blessings in the New Year

The New Year has brought some changes for a few of our financial ministry partners. They are unable to continue to give towards the Lord's work through Power to Change on our behalf. The shortfall is close to \$500 per month. That's 5 individuals or churches at \$100 per month. Please ask the Lord what you are able to do to

Let us express how overwhelmingly grateful we are for you, the people who lift us up in so many ways through your ongoing prayerful interest, expressions of love, personal encouragement and giving.

We've had a rare few days off between Christmas and the New Year to retreat, reflect, recharge and retool as we pursue a more intimate love and knowledge of our Creator and Savior. We are attending a conference next week for all of the missionaries with the Campus Strategy. Mary is on the team that is leading the "Prayer Room" ministry and Mark will again be recording a few "changed Lives" stories.

May our Savior and Redeemer be lifted up this year in each of our lives as we live justly, love mercy and humbly walk with God.

In His Service,

Mark + Mary

And we have seen and do testify that the Father sent the Son to be the Savior of the world. | John 4:14
